Notes:

Juniors & Masters Ranking Equivalency

Less 40% points for each age category below or above Open.

(Ex. 1st place U17 Provincials = 136, 3rd place U19 Prov Open = 220)

National tournaments only have 1 consolation, which is why their grid is shorter. Since they have a single consolation, we simply continued the 90% decrease in points down into consolations rather than splitting the original winner ranking points in half and starting from there.

Draws split into A/B and C/D will have separate point classifications.

The C/D draw will always be 0.25, however the A/B draw will be 1.00, 0.75 or 0.50, as determined by MBA.
