

CODE OF CONDUCT AND ETHICS POLICY

MANITOBA BADMINTON ASSOCIATION

DEFINITIONS

1. The following terms have these meanings in this Code:
 - a) “*Individuals*” – All categories of membership defined in MBA’s By-laws, as well as all individuals engaged in activities with the MBA, including but not limited to: clubs, athletes, coaches, officials, volunteers, managers, administrators, directors and officers of the MBA, spectators of MBA events and parents of MBA members.
 - b) “MBA” – Manitoba Badminton Association Inc.

PURPOSE

2. The purpose of the Code of Conduct and Ethics (“Code”) is to ensure a safe and positive environment (within MBA programs, activities and events) by making all individuals aware that there is an expectation, at all times, of appropriate behaviour consistent with the organization’s core values and policies.
3. The MBA is committed to providing an environment in which all individuals are treated with respect. The MBA supports equal opportunity, prohibits discriminatory practices and is committed to providing an environment in which all individuals can safely participate in sport and are treated with respect and fairness. Individuals are expected to conduct themselves at all times in a manner consistent with the values of the MBA: fairness, integrity, accountability, excellence, accessibility, innovation, and respect.

APPLICATION OF THIS CODE

4. This Code applies to any Participant’s conduct during the business, activities and events of the MBA including, but not limited to, competitions, practices, evaluations, treatment or consultations, training camps, travel associated with organizational activities, the office environment and any meetings.
5. This Code also applies to Participants’ conduct outside of the business, activities and events of the MBA when such conduct adversely affects the organization’s relationships (and the work and sport environment) or is detrimental to the image and reputation of the MBA. Such applicability will be determined by the MBA at its sole discretion.
6. This Code applies to Participants active in the sport or who have retired from the sport where any claim regarding a potential breach of this Code occurred when the Participant was active in the sport.
7. In addition, breaches of this Code may occur when the Participants involved interacted due to their mutual involvement in the sport or, if the breach occurred outside of the sport environment, if the breach has a serious and detrimental impact on the Participant(s).
8. Any Participant who violates this Code may be subject to sanctions pursuant to the Discipline and Complaints Policy. In addition, a Participant who violates this Code during a competition may be removed from the competition or training area, and the Participant may be subject to further sanctions.

PERSONS IN AUTHORITY AND MALTREATMENT

9. When they are a Person in Authority, Participants are responsible for knowing what constitutes Maltreatment. The categories of Maltreatment are not mutually exclusive, nor are the examples provided in each category an exhaustive list. Rather, what matters for the assessment of the Maltreatment is whether the conduct falls into one or more of the categories, not into which category it falls. Abuse, assault, harassment, bullying, and hazing can be experienced in more than one category of Maltreatment.
10. Maltreatment can be any of the prohibited behaviours and conduct, provided the Maltreatment occurs in any one or a combination of the following situations (the physical location(s) where the alleged Maltreatment occurred is not determinative):
 - a) Within a sport environment;
 - b) When the Participant alleged to have committed Maltreatment was engaging in sport activities;
 - c) When the Participants involved interacted due to their mutual involvement in sport;
 - d) Outside of the sport environment where the Maltreatment has a serious and detrimental impact on another Participant.
11. It is a violation of the Code for sport administrators or other Persons in Authority to place Participants in situations that make them vulnerable to Maltreatment. This includes, but is not limited to, instructing an Athlete and coach to share a hotel room when traveling, hiring a coach who has a past history of Maltreatment, assigning guides and other support staff to a para-Athlete when the guide or support staff has a reputation for Maltreatment or assigning such a guide or support staff to a para-Athlete in the absence of consultation with the para-Athlete.
