

JANUARY 27 2021

TOURNAMENT UPDATE

CANCELLATION OF 2020-2021
COMPETITION SEASON

NOTICE TO MEMBERS

The Manitoba Badminton Association, under the direction of its Board of Directors, announces the cancellation of the remainder of the 2020-2021 competitive season, through to May 31, 2021.

The Association recognizes the role physical activity plays in physical, mental, and emotional health. As such, we do not make this decision lightly. As public health guidelines allow for a slow re-opening of our sport, it is our hope that we will be able to offer modified programming in the form of clinics, camps, and other training opportunities.

We ask our athletes, coaches, and club leaders to familiarize themselves with current provincial health guidelines as well as our *Return to Play – COVID-19 Guidelines*. Facility owners and managers are reminded not only to adhere to public health regulations, but to speak with their local Public Health inspectors prior to reopening for play.

In the meantime, we encourage all members of our community to do their part in keeping their loved ones and all those around them safe and healthy.

Respectfully,

Mélanie Curé
Executive Director
