

Hello!

Welcome to the new membership process which will (hopefully) get simpler as we move forward.

At this time, we ask that you only register for Individual Player Memberships. Coaches' and officials' licenses should be available by the end of the month.

1. Please go to PlayerWeb using the link on our webpage. Click on "Purchase new membership"
3. The system will prompt you to either log in or create a new account. Please create a new account and be sure to use the email you used for your TournamentSoftware account.
4. Once the account is created, you'll need to purchase a new membership. When entering your info, be sure to enter your *name*, *date of birth*, and the *same email you used for your account in TournamentSoftware*.
5. If the above is done correctly, the system should show you your information (including MBA Member ID) and ask for you to confirm that this is you. Please confirm, as this will ensure that a duplicate account isn't created.
6. Once confirmed, you will be able to update your information and purchase a Base/Provincial/National-level player membership as needed.
7. Read through and agree to waivers.
8. Once membership is paid and confirmed, it may take up to a day for you to be able to register for a tournament in TournamentSoftware. Please feel free to email me at melanie@badminton.mb.ca if you encounter any problems.

If you run into any problems or if you spot any typos or issues, please email me. Also, screenshots of what you are seeing are incredibly helpful as I, along with the folks at Badminton Canada and PlayerWeb, trouble-shoot some lingering issues.

thank you very much for your patience, and have a great day!

Mel
